Lilly	Catherine	1	A-	Great goalkeeper, also very strong in the field. Very aggressive, great dribbling and shooting skills. Could listen to coaches advice better and pass better. Tends to go it alone a little too much.
Chen	Iola	2	A-	Great hustle, strong skills in the field, good shooting, passing, and dribbling. Easy to coach, always gives the maximum effort. Can see the field very well, often finds the right teammate to pass to.
Van Houten	Rowan	3	B	Good player, still growing and what she lacks physically she makes up for in hustle and great attitude.
Sibley	Heatherann	4	B	Very good hustle. Quiet, but really established herself as a solid player in the second half of the season. Played in a variety of positions without complaint, but was a strong midfielder who could drop back on defense and also move forward and take shots on goal.
Growney	Isabella	5	B-	Great athlete, but lacks some ball skills. Good at settling the ball but is not a great dribbler or passer.
Detweiler	Alexa	6	B-	Good attitude. Lacks a little in ball skills and fitness, but goes out and tries hard every game.
